*Revised August 2019*
HISTORY OF LONDON ISLAMIC SCHOOL

Education has historically been a high priority for Muslims all around the world; we have consistently sought ways to link literacy, education, and faith. The first piece of revelation sent down to our beloved Prophet Muhammad (SWS) was the word *Iqra*, which is the Arabic term for reading and reciting. This makes it quite evident that the process of learning and education is an integral part of the Islamic faith.

Muslims in London, ON date back to the 1900’s and it was initially a small group of Muslims in the community who felt the need to start an Islamic school in the city of London. The London Islamic School opened its doors in September 1996, with sixty-five students and ten staff members, offering classes from Junior Kindergarten to Grade 4. Since then, our school has grown in student numbers and significantly enhanced its program. In the summer of 2002, we expanded our school facility to include a full-size gymnasium which enabled us to offer physical education to students of all grades as well as host competitive sports teams from the CTAA school league in London. Today, the school has grown to a student population of close to 300 students, with classes ranging from preschool to Grade 8. The London Islamic School follows the Ontario Ministry of Education curriculum and is proud to offer a rich program in Quran, Arabic, and Islamic studies.

This educational venture has depended on the continued support of a community committed to passing to the next generation a living tradition of literacy & numeracy imbued with the Islamic faith. The volunteer efforts of many, their wisdom and experience, their interest and joyful involvement, have brought together the families, the masjid, and the school to provide excellent comprehensive educational experiences for our students. We believe that our school is providing a needed educational Islamic experience for young people in our city and we look forward to the future with confidence.

MISSION STATEMENT & SCHOOL-WIDE OBJECTIVES

STATEMENT OF MISSION

The mission of the London Islamic School is to provide students with skills to achieve academic excellence, while instilling a sound knowledge of the Islamic faith. The school strives to foster in our students the ability to acquire the necessary tools to face the various challenges in the academic and social world we live in. With this philosophy of academic excellence coupled with instilling the love of Islamic principles and morals, the London Islamic School hopes to cultivate, motivate and inspire the students to become productive, educated and caring citizens.

To attain these objectives, the school follows the guidelines for the expectations and requirements of the Ontario Ministry of Education. In addition, the school also offers classes in Arabic, Islamic Studies, and Quran.

SCHOOL-WIDE OBJECTIVES

- To teach our students to strive for excellence in all that they do;
- To provide our students with rich academic programming that challenges them intellectually;
- To teach a love for Islam by example and through integrating Islam in all facets of the school;
- To teach our students social awareness and responsibility through community engagement;
- To educate the whole child, physically, spiritually, intellectually and emotionally;
- To teach the concept and practice of faith through the example of our staff and administration;
- To teach the love of Qur’an and the Arabic language; and
- To teach our students to build bridges with youths from other faith communities and be a positive influence in a pluralistic society
The Ontario Ministry of Education and Training stipulates that the minimum number of school days required by regulation is 192 days, including professional activity days. This year, we have scheduled all school PA Days to match the public school schedule to avoid any inconveniences for parents who have children in both systems; with an additional day for Parent-teacher conferences after our first term report cards in February.

Below is the year-wide calendar for 2019-2020. Our detailed calendar, highlighting the activities and events throughout the year can be found on our website @ www.LondonIslamicSchool.com. Parents will also receive monthly calendars emailed from the school, giving monthly highlights pertaining to school activities/events throughout the month.

Junior Champions Preschool Students at LIS:

Children who are enrolled in the preschool at LIS in any given school year are NOT guaranteed a spot in Kindergarten at LIS for the following school year. **Priority for JK spots will be given to siblings of children already enrolled in the school.** If there are remaining spots in JK after siblings have been enrolled, then priority will be given to current preschool children, before enrolment opens to the public.

In the event that there are more preschool children interested in a JK spot than there are spots available, a lottery will be held to determine which preschool children will be offered the JK spots. In order to be included in the lottery, preschool children must have been enrolled in our preschool program before February 1st of the given school year and must still be in the preschool as of June of the same academic year.

**TUITION POLICIES**

A. HOMEWORK POLICY

Purpose
LIS considers homework to be an important part of a child’s education and an integral component of the learning process based on the following goals:

- To provide extra practice for specific fundamental skills.
- To improve academic skills by reinforcing and extending classroom learning.
- To promote independent work-study habits.
- To establish regular homework routines and organizational skills.
- To increase communication between parents and the school.
- To inform parents of the school’s curriculum and to provide a means to make ongoing evaluation of their child’s progress.
- To develop responsibility, accountability, self-confidence, and time management.

Amount of Homework
Research indicates that schools in which homework is routinely assigned and graded tend to have higher achieving students. There is also general agreement that the amount of homework assigned increases significantly as a student progresses according to the maturity and ability level of the student, and varies according to individual ability and the speed at which the child works and manages their time. LIS follows the “10 minutes of homework per grade level” guideline (Arabic, Quran and Islamic Studies are not included) when establishing its homework plan. It is important to remember that the time would be uninterrupted time, free from the interference of television, playing, eating, etc.

<table>
<thead>
<tr>

<th>10-30 minutes daily</th>

</thead>
<tbody>
<tr>
<td>Grades 4-6</td>
<td>40-60 minutes daily</td>
</tr>
<tr>
<td>Grades 7-8</td>
<td>70-80 minutes daily</td>
</tr>
</tbody>
</table>

Homework Specifics
- Unfinished classwork or work missed due to excused or unexcused absences, as well as any homework that was assigned must be completed.
- Weekend homework may be given to students in order to complete classwork assignments, reinforce skills taught, or to work on long-range projects.
- When no homework is assigned, it is recommended that the students do individual reading, practice math facts, review vocabulary, etc. We do encourage students to practice independent reading and/or explore subjects of interest to them each night.
- Homework is communicated regularly by teachers of JK to grade 8 via email, online apps (ie. Class Dojo), and written memos. Please note that LIS will not use student agendas this year.

Parent Responsibilities
- To provide an environment that is conducive to uninterrupted study time.
- To make sure the child has the necessary materials to do the assignments.
- To encourage the child to be neat and organized.
- To make school the number one priority during the academic school year.
- To model self-discipline, organization, time management, and a positive attitude.
- To provide support and encouragement of the child’s efforts.
- To ask the child to share his/her assignments and to ask for specific help.
- To contact the classroom teacher in the event of questions or concerns.
- To assist the child, if needed, without doing their work for them.

Student Responsibilities
- To understand the entire overview of assignments and their due dates.
- To ask questions when instructions, assignments, or deadlines are unclear.
- To utilize time and other resources in order to complete assignments on time.
• To give homework their best effort before asking parents for help.
• To take homework home, along with any required materials, and submit assignments by the specific due dates.
• To make up any work missed due to excused or unexcused absences from class.
• To be safe and look out for the safety of others
• To keep LIS a positive learning environment by showing respect at all times

B. GRADING POLICY

All Ontario School Report records are maintained and updated according to the Ontario Ministry of Education policies. The following is the grading system for all LIS students. All scores are based on a 0 to 100 scale. Depending on the grade level of the student, teachers will distribute to students a syllabus, which includes the specific grading policy of each teacher.

C. TERM AND FINAL EXAMS

Students must write all term and final exams during the scheduled time. Only under special circumstances will students be permitted to write exams at a different time. If students need to leave before the end of the school year for valid and exceptional reasons (purchasing low-season tickets is not a valid reason), it is their responsibility to ensure they have written all exams before they leave. They must provide a written request to the administration, explaining the reason for being absent for a significant amount of time at the end of the school year; it is up to the administration’s discretion to grant such permission.

D. GRADE 8 END OF THE YEAR TRIP

Students in Grade 8 are taken on an annual end of the year trip. The duration and destination of the Grade 8 End-of-Year Field Trip is subject to change and the trip can be cancelled altogether if students exhibit poor choices and/or at the discretion of the administration.

We expect our students to take initiative and ownership of their learning, and to give their best effort in all of their classes and activities. Students are responsible to bring required materials to classes, to participate positively in class activities, and to complete assigned work.

The aim of education is to develop the knowledge, skills and positive attitudes of individual students so that they will become self-confident, capable, committed to setting goals, making informed choices, and acting in ways that will enable them to fulfill personal aspirations while making a positive contribution to society. Achievement of the broader goals of education is a shared responsibility of the community. Maximum learning occurs when the efforts and expectations of the various agencies affecting children complement each other. Of these agencies, the most important and influential is the home. The London Islamic School has developed a Student Success Action Plan (SSAP) document to ensure that all students will succeed at our school. The SSAP allows teachers and parents to engage in regular communication to ensure the academic and behavioural success of the student. The LIS has a registered nurse, through the London Middlesex Health Unit, available on a consultative basis to assist students and parents. Dental exams and immunizations are available to all LIS students. Specific dates with regards to school nurse and dental visits will be communicated to parents via email and in the monthly calendars found on our website.

B. HEALTH SAFETY POLICIES

The following are our school guidelines for dispensing medications by school personnel:

▪ Parents will give written permission for the school to give medication to their child. Written permission must be given with each new medication. Times and amounts of medication need to be made clear in the letter.
 ▪ The school will keep all medications in a central, locked location.
 ▪ The school will keep a log of all medications given out.
 ▪ Hydration is essential for students to feel comfortable learning. Parents are encouraged to send a water bottle with their child(ren) every day.

It is essential that parents must strictly follow all guidelines before the school will dispense any medications. The school is not liable if medication is not given due to the parents’ failure to follow the guidelines. According to the Ministry of Health, children who become ill with certain symptoms, such as high fever, severe coughing, or contagious illnesses, will be returned home. We appreciate your cooperation with this policy. If you have any questions about whether or not your child should attend school, please call the school before bringing your child.

EMERGENCY POLICIES

A. ACCIDENTS

In case of an in-school accident, students shall notify the nearest teacher or staff member. All emergency situations are reported to the main office and the Principal, who will delegate the responsibilities to be taken in an emergency situation (ie. calling 911 and an ambulance). The main office personnel will notify the parents and an incident report will be completed and filed.

B. FIRE DRILLS, TORNADO DRILLS, & LOCKDOWNS

FIRE & TORNADO DRILLS

Preparation is the key to any effective emergency response. Conducting effective fire and tornado drills helps schools for safety to:

• provide scheduled opportunities for comprehensive fire and tornado emergency response training for students and teachers;
• determine whether designated supervisory staff can competently respond in accordance with the emergency fire evacuation and tornado drill procedures;
• determine whether supervisory staff respond in a timely manner to carry out their duties;
• assess the ongoing effectiveness of the emergency procedures to ensure quick evacuation of students and staff; and
• comply with the Fire Code’s mandatory requirement for conducting fire drills and tornado drills.

Directions for fire and tornado drills are posted in each classroom. There will be a minimum of six fire drills and two tornado drills that will be conducted throughout the school year.
LOCKDOWNS/HOLD AND SECURE/SHELTER IN PLACE

The terminology is mandatory to describe the type of situation occurring at or near a school. The terms are to be used consistently in all Ontario publicly funded schools to allow for consistency of response by staff, students, and emergency services.

"Shelter in Place": (May be recommended by Police, Fire Dept. Emergency Response Services (EMS)
- is used for an environmental, or weather related situation, where it is necessary to keep all occupants within the school to protect them (e.g., may include chemical spills, blackouts, explosions or extreme weather conditions that may affect student/staff safety such as downed wires during ice storms);
- People enter and remain in a building with the doors and windows closed;
- Fans, including heating and air conditioning units, should be turned off to prevent outside air from entering the building, if it is determined that the air intake could pose a health or safety risk for occupants;
- Normal operations may continue within the building.

"Hold and Secure": (School most likely to be notified by Police Services)
- is used when the school is secured due to an ongoing situation outside and not related to the school that requires all persons to remain in the building (e.g. bank robbery near a school);
- the school continues to function normally, with the exterior doors locked until the situation is resolved;
- staff member posted near each entrance to ensure no one leaves the building;
- all movement in and out of the school is restricted;
- exterior facing windows should be covered or blinds drawn, lights dimmed, where possible.

"Lockdown": (usually initiated by Police Services and sometimes by the Principal or school personnel)
**A lockdown is defined by police as the restriction of movement during the time of a potentially serious violent threat or violent incident that would endanger the lives of students and staff.
- used when there is a violent incident or threat of serious violence within the school, or in relation to the school;
- the threat is inside the school, or is on school property, and poses an immediate threat to the students and staff;
- follow current lockdown procedures;
- all movement within the school and into and out of the school is restricted;
- doors remain open to permit police immediate entry.

Directions for lockdown procedures have been communicated to all staff; each classroom has a designated area to remain during a lockdown procedure. There will be a minimum of three lockdowns throughout the school year.

C. PERSONAL SAFETY

All visitors to the school enter through the main entrance and report to the main office to sign in. All students should be picked up at 3:30 p.m., Monday through Friday. Any student that is not picked up by 3:45 pm will be sent to our after-school program and will be billed accordingly. The school is not responsible for any student unsupervised outside the after-school program after 3:45 p.m. Students, not enrolled in the Before School Program, should not arrive to school prior to 8:05 a.m. The school is not responsible for students who are dropped off early outside. They must report directly to the assembly area upon arrival. Preschool children must be dropped off and picked up from their designated classroom by the authorized adults the school has on file. Kindergarten student drop-off and pickup will remain in the gymnasium. Doors are locked during school hours. Visitors must ring the doorbell to enter the school.

D. SCHOOL CLOSURE AND/OR BUS CANCELLATION

If for any reason the school needs to be closed due to inclement weather, or the bus is cancelled, all parents/guardians will be notified via email no later than 7am of that day. The announcement will also be posted on our website and facebook page, so please be sure to check these pages for updates.
E. PARKING LOT & DISMISSAL PROCEDURES

In order to ensure the safety of the students, parents are asked to follow the direction of the parking lot attendant when dropping students off in the morning and picking them up at the end of the day. The general guideline in the morning is for a maximum of 3 cars in the drop-off zone. If there are already 4 cars in the zone, parents are asked to proceed to the back of the building to park and then escort their child/children into the school. The driveway and parking lot are very busy and this procedure will help to ensure the safety of the students while avoiding a line-up of cars in the driveway. Under no circumstances should parents park in the handicap spot without a valid pass/sticker. During dismissal at the end of the day, parents are not to communicate with teachers that are on supervision duty, as it is imperative that all teachers attend to the supervision needs of their students during that time. Grades JK to 3 are dismissed from the gymnasium and 4 to 8 from the playground outside. Parents who are picking up their children from the gym are to enter through the gym doors and are not permitted to enter through the back and side doors of the gymnasium for security reasons. Pick-up of children must be done in a timely fashion, and the supervision of children once a parent/guardian or authorized pick-up person has arrived becomes the responsibility of person picking them up.

COMMUNICATION

Our success in our mission of providing quality education in an Islamic environment relies heavily on the interaction between school and home. Parents are expected to keep up with their child’s academic and social progress and to attend all orientations and meetings announced by the school. They are also encouraged to read school publications and emails sent to parents. If you are not receiving emails from the school, please check with the front office to ensure we have your updated email on file.

Parents may request a meeting with their child’s teacher at any time during the school year and are kindly requested to make an appointment. Teachers are not permitted to confer with parents during class time or supervision time under any circumstances. All classroom visits must be arranged in advance. If parents wish to drop items off for their children, they must give them to the office staff and they will be delivered to the child as soon as possible without disrupting instructional time.

The school administration invites parent comments and concerns to be addressed. Parents may request a meeting with any member of the Administration team regarding school matters. The office administrative assistant will schedule the meeting accordingly. Matters concerning your child’s academic or behavior performance in the school must be discussed with the classroom teacher first. If the matter is not addressed to your satisfaction you may request to meet with the Principal. Matters concerning general school rules, policy, or tuition may be brought to the attention of the Operations Manager.

The Board of Directors, administration, teachers, support staff, LIS families and members of the community work hard to see LIS succeed each year. Anyone who openly defames or threatens the wellbeing of the school and any of its staff may be asked to withdraw from the school.

FUNDRAISING

As a private, not-for-profit institution, LIS relies on annual fundraising events to bridge the gap between the tuition it collects and the cost of educating its students. Parents are expected to help with the school’s fundraising efforts.

There are numerous ways in which parents can help:

1. Selling tickets for the annual dinner
2. Making donations during the annual dinner or at any other time
3. Helping the school find sponsors for school initiatives, projects, services, and extra-curricular
4. Contributing to the school’s scholarship fund or sponsoring an underprivileged child’s tuition
5. Providing educational needs of a classroom or the school in general

VOLUNTEER PROGRAM

The work that parents do on behalf of our school is essential and greatly appreciated; our school flourishes because of the time and effort of many people! Parents (often grandparents too!) and other supporters are actively involved in school life in a number of ways, from serving on our PTA and its various committees, working on fund-raising projects, reading with groups or individual children, assisting with classroom work or with other school projects. The PTA actively recruits the help of parents whose children attend our school. The primary role of the LIS volunteer program is to support the work of the teacher by assisting students with their classroom work or other activities. Volunteers work with children and school personnel in many ways, including tutoring, reading, classroom activities, chaperoning field trips, assisting with the hot lunch program, or helping in the office.

Revised August 2019
Parents and community-oriented people are encouraged to volunteer at the school to share their expertise. One of the biggest benefits of being a volunteer at LIS is to learn about the environment and education being offered, and to contribute to enriching our Muslim community. Guidelines and forms for volunteer work are available in the office. All volunteers must have a current police background check. Volunteers wishing to assist both in the school and/or on field trips must provide a copy to the school. To obtain a police check, please visit the London Police Department’s website.

For all extracurricular activities/events that take place off LIS school property, it is the parents’ sole responsibility to arrange and provide transportation for the students, unless specified otherwise.

**SCHOOL BOARD ROLE**

The LIS Board is the governing body of the school. The Board is responsible for setting school policy as well as the hiring, terminating, and renewal of contracts for all staff members. Parents may run for election for the three parents’ seats on the LIS board, which occur every two years. The LIS board is available to be contacted by parents to discuss major concerns. Parents may contact the school board, in writing, through the school’s office, by mail, e-mail or fax, at:

London Islamic School Board  
151 Oxford Street West  
London, Ontario, N6H 1S3  
board@londonislamicschool.com  
Tel: (519) 679-9920 | Fax: (519) 679-6842

**LIS STUDENT COUNCIL**

Our Student Council is a representative of the student body, through which they can become involved in the affairs of the school, working in partnership with school management, staff and parents for the benefit of the school and its students.

The structure of our LIS Student Council includes a president, vice president, secretary, and treasurer. Students from Grades 6 to 8 will be eligible to campaign for these positions. Campaigns will last one week. These roles will be voted on by the student body of grades 5 to 8. The LIS student council is supervised by the Administration and a teacher. Each class (grades 5-8) is assigned a class representative who passes on requests, ideas, or complaints to the student council from students in their class.

LIS Student Councils do not have funding authority and must generate their operating funds through fundraisers such as bake sales, sports buy-out games, book/toy sales, etc.

**USE OF SCHOOL GROUNDS**

Since LIS is a private institution established to serve the Muslim community at large, it rents its facilities to various groups and organizations. For rental agreements and rates, please contact the London Muslim Mosque Secretary.

**ATTENDANCE POLICY**

Student attendance is essential to an effective academic environment. A student should only be absent in case of emergencies such as illness or death in the family. In case of an absence, parents are required call the school to notify the front office of the reason of absence. The student is responsible of making up any missed work during the absence. In the case of leaving school early, students in all grades must be signed out by a parent/guardian when leaving the school in any circumstance. Failure to do so will result in the school not permitting the student to leave prior to dismissal time.

**TARDINESS AND ABSENCE**

Regular attendance and punctuality affect your child’s performance; therefore, we require that all students be present at school no later than 8:15 a.m. We also encourage all students to be part of our morning Daily Physical Activity (DPA) which starts at 8:00am. In case of an absence or late arrive, we require parents to promptly notify the front office. If a student has been frequently marked late or absent from classes, administration will contact the student’s parent to set up a meeting to discuss the situation and how they can assist the student in being punctual and/or establishing regular attendance. If the absence or lateness continues, creating an extreme circumstance, students may be withdrawn from the school.

## CRITERIA FOR SELECTION OF PROFESSIONAL STAFF

The professional staff is employed on the basis of educational background, academic accomplishments, certifications, experience, recommendation letters, reference checks, knowledge and understanding of the Islamic faith, and conduct during the initial interview with the staff selection committee and any subsequent interviews. The school employs its teachers without regard to their age, sex, religion, disabilities, or national origin.

## STAFF PERSONNEL LISTING

Our complete staff list of this academic year is below and can also be found on our website @ [www.LondonIslamicSchool.com](http://www.LondonIslamicSchool.com). All school staff can be reached by email or by contacting our school's front office. Parents may leave a message for any staff member and it will be conveyed to them as soon as the opportunity arises. The school does not release staff phone numbers or personal information without the consent of the staff member. **The school will not interrupt a class to deliver a message, except in severe circumstances.**

FOOD POLICY

Increasing numbers of students with a variety of food allergies as well as new School Nutrition Program guidelines in Ontario have helped inform our new food policy at LIS. We are a nut and gelatin free school and endorse healthy eating for our students. Parents and teachers must ensure that any food item brought into the school do not have nuts or gelatin in the ingredients and do not have the label “may contain peanuts and/or tree nuts”.

A. LUNCH & SNACK

Students should bring a nutritious, nut and gelatin free lunch and snack. Nutrition is taught in each class and we believe it should be reinforced in the child’s home environment. Children are encouraged to help pack their own lunch and snack using food from the four major food groups and learn the importance of nutrition in their daily diets. Please note that foods such as chocolate bars, gum, pop and candy, which are high in sugar content and/or artificial additives, are not permitted. We encourage families to avoid processed foods. Please note that our classrooms are not equipped for heating children’s lunches.

Our Hot Lunch Program will begin from the first week of school and will run for the entire year, except for Ramadan. Each month, our students will receive a hot lunch form which has the menu for the month. Our Hot Lunch program encourages healthy eating providing options from the four major food groups.

Our Snack Cart will begin in the first week of school and will run for the entire year, except for Ramadan. Our Snack Cart consists of the following snacks: Popped Corn Chips, Garden Veggie Straws, Granola Bars, Fruit Gummies, Popcorn, Cheese & Crackers, and a limit of one 28 gram bag of Lays/Doritos chips per student each day. Beverages are not sold at our Snack Cart.

B. FOOD DISTRIBUTION

Because of allergy concerns and other factors, it is our policy that no birthdays will be celebrated at LIS. Parents/Students are not permitted to bring cakes, sweets, or any food to school for distribution. On occasion, teachers may distribute treats to students, with full adherence to the food policy illustrated in this handbook. Within such occasions, a notice will be provided to parents 48hrs in advance, which indicates the food item that will distributed. Please note that food/treat distribution to students will not be used as a reward system by our staff.

DISCIPLINE POLICY

A. DUE PROCESS RIGHTS

If a student has engaged in any sort of inappropriate behaviour that warrants suspension or expulsion, the administration will send a written notice to the parent(s). The school will request a meeting between the student/parent and administration whereby they will discuss the incident and how to best resolve the issue. Note: Suspensions will be recorded in OSR files.

B. GRIEVANCE PROCEDURE

Parents may, in person or in writing, submit any grievances in the following order: first, the grievance goes to the classroom teacher; if the issue is not resolved, then the grievance goes to the Principal. If it is still not resolved, it goes to the board.

C. EXPULSION PROCEDURES

Expulsion of a student may be recommended by the administration team to the board after a number of suspensions or any serious behaviour incident.

D. DISCIPLINE INFRACTION LEVELS AND CONSEQUENCES

In order to ensure the best possible learning environment, guidelines of acceptable behavior and class expectations will be set by each classroom teacher at the beginning of the year. The disciplinary procedures and consequences will help the students realize their responsibility to manage their behaviour appropriately. This system will allow students to make appropriate choices, which will in turn, ensure a productive Islamic environment in the classroom.

The Ontario Code of Conduct sets clear provincial standards of behavior. It specifies the mandatory consequences for student actions that do not comply with these standards:
The below chart highlights the details of our discipline policy this year by categorizing misbehavior by infraction levels. Please review our discipline policy CHART carefully to ensure it is clear to you and your child(ren):

UNIFORM POLICY FOR STUDENTS

LIS’ uniform policy for students is based on the notion that a school uniform promotes a sense of pride in the school; fosters a feeling of community and belonging; makes children feel equal to their peers in terms of appearance; and sets a high standard of appearance for all students with practical and cost-effective school wear. Students are expected to wear the complete uniform while on school premises. If a student is not in complete compliance with the uniform policy, he/she will receive a verbal warning followed by a written warning if the violation is repeated a second time. Upon the third time of non-compliance, parents may be called to bring in a student’s uniform, or to have the child picked up.

The following is a list of general guidelines regarding our uniform policy:

**Hair:** Students must ensure they are presenting themselves in a fashion that is neat and cohesive to learning. ‘Extreme’ haircuts are not permitted in the school (‘extreme’ being any haircut that is considered by the school to be significantly different so as to cause distractions to others and their learning; hence, not in keeping with the school’s ethos. **Hijab is optional in grades 1-4. However, girls from Grade 5 to 8 are required to have their hijab on during school hours.**

**Shoes:** For safety reasons, students must wear socks and closed toe shoes at all times. No sandals or slippers are permitted.

**Jewellery:** Students are not to wear excessive amounts of jewellery at school. Only small, plain studs for pierced ears and wristwatches are permissible; both of which must be removed for Gym classes. Boys are not allowed to wear earrings, or have any body piercing.

**Makeup:** Students may not wear makeup during school hours.

**Clothing:** The school has specific uniform specifications. The uniform from preschool to grade 8 is burgundy top (purchased at the school) and beige or navy blue, or black pants (no jeans allowed). Please obtain your copy of the handout explaining the specifications of the school uniform from the office. All students are expected to dress according to school requirements. On Fridays, students may wear our LIS Spiritwear, instead of the uniform, which is sold at the school throughout the year.

HAND BOOK REVISIONS

LIS has the right to amend this handbook as the need arises. A revised handbook or an insert to the handbook will be made available to current parents in the front office during the school year. It is the duty of the students and parents to obtain and familiarize themselves with the most current handbook.
